

BERNEITHA K. MCNAIR
4070 Boulevard Center Drive
Building 4500, Suite 200
Jacksonville, Florida 32207
(904) 398-7472

Berneitha McNair is currently the Executive Director of the Northeast Florida Community Action Agency, a private nonprofit organization that is dedicated to combating poverty in Baker, Clay, Duval, Flagler, Nassau, Putnam and St. Johns Counties. Ms. McNair graduated with honors from the University of Southern Mississippi (USM) with a Bachelors Degree in Communication. She has nearly 20 years experience in nonprofit management.

Ms. McNair has dedicated her entire professional career to assisting low-income individuals and their families. She has experience in designing, monitoring, implementing and evaluating programs for two multi-million dollar organizations. Ms. McNair has been successful in community organizing and working with local service providers, state/federal agencies, and elected officials.

Effective leadership skills have allowed her to excel throughout her career. As a leader, Ms. McNair understands the importance of building effective teams, motivating others, setting achievable goals, and utilizing all available resources to accomplish those goals.

Her experience includes managing Federal and State Programs that are designed to help families obtain stability and self-sufficiency. She is a highly successful executive with a broad background and knowledge in: 1) Program Policy and Administration, 2) Contract Management, 3) Organizational Planning, 4) Budget Preparation and Control, 5) Program Monitoring and Evaluation, and 6) Implementation of Strategic Plans.
